## Award Winning Gardens

The award-winning North Carolina gardens have an extensive collection of unusual plants. These include 18 varieties of Japanese maples and over 300 different varieties of perennials, hostas, roses, and herbs. The greenhouse houses a collection of over 1500 orchids and tropicals.

Paths and sitting areas throughout the gardens make the grounds a perfect place to wander stress free or sit and meditate among nature's beauty and abundance. The inn's gardens and waterfalls also provide a stunning backdrop for your North Carolina wedding, or take her breath away by ending your romantic weekend getaway with a marriage proposal among the roses.

The bed and breakfast's home garden is the only Asheville, NC garden to win in two categories.
